CRESWICK GARDEN LOVERS' WEEKEND

GARDENS OF PASSION

Eight passionate gardeners, artisans and green thumbs, open their treasured, unique, private gardens once a year for our event and your pleasure. They spend four seasons preparing their spaces for everyone to be delighted and inspired. Visit any of the gardens and meet their masters to chat about their creations.

Now in its 7th year, this annual event is organised by Business and Tourism Creswick to encourage visitation to Creswick and surrounds. It provides a special opportunity to take a sneak peek at a variety of well-loved and nurtured local gardens for your pleasure and inspiration.

JOIN THE FUN!

Other events on the day:

Creswick Garden Club will be selling some home grown treasures outside the RSL Hall in Albert Street.

John Curtin Aged Care allows self-guided tours of their gardens and invite you to enjoy a cuppa and cake in their café on the Saturday. Entry - gold coin donation.

Creswick Woollen Mills is on the site of the former mill and provides top quality woollen and alpaca products. The alpacas can be hand fed and there is a stunning 'green wall' on display.
